The **Maintenance Fee** is a mandatory and non-refundable contribution toward the infrastructure of the school, including furnishings, building maintenance, learning materials, etc.

Tuition Fees (Full Academic Year)

Refundable

Tuition fees cover all school related expenses such as books, instructional materials and laboratory fees. Each parent/guardian registering a student is responsible for all payments of school fees. All parents/guardians are liable for payments on the due date whether or not companies assume responsibility for all or part of the fees. Kindly note that, parents are responsible for all bank transaction fees and charges.

EAL Support Fee (Annual)

Non-refundable

The **English as an Additional Language Fee** assists students in building a foundation of basic English skills. This is only applicable to students who need additional support to meet the standards of the mainstream classes. EAL Support Fee is required to be paid as long as the service is being received.

Additional Fees

Bus Fees

Refundable

School bus routes are arranged to provide as convenient a service as possible. HJIS reserves the right to change routes and times during the school year as needed. Please note that we cannot guarantee bus service to all locations, so it is important to first check availability with Student Affairs, Ms. Mari Hosokawa, hjis@horizon.ac.jp.

Note: HJIS is not obligated to provide bus service if a family's housing location is not within existing serviced routes.

Lunch Fees

Refundable

HJIS serves a variety of hot nutritious meals provided by Cezars Kitchen which varies in price based on the items individually purchased. HJIS accept lunch payment on behalf of the Cezars Kitchen. Pricing for lunch program is published with the menus. Please email Student Affairs, Ms. Mari Hosokawa, hjis@horizon.ac.jp for additional information.

Field Trip Fees

The School Field Trip Fees vary and depend on the duration and location of the trip. The cost of all trips and travels for school programs is the responsibility of families. Pricing and payment deadlines will be published and informed in advance of each trip.

Technology Requirement

Kindly note that students in grades 2-4 are required to have an iPad. Students in grades 6-12 are required to have a MacBook. For details on the specifications, please contact the Admissions Office.

Payment Policies

Returning Students

All students returning to HJIS for the following school year will receive their invoice in February. Invoices are payable on or before the due date(s) indicated on such invoice(s). **Due to HJIS's open enrollment policy, we cannot guarantee a returning student's place after the payment deadline and HJIS may assign his/her place to a new student.**

Refund

If a student will be withdrawn during any semester, parents should notify the Admissions Office in writing of the last expected day of attendance. This notification must be received by the first day of classes in August (if withdrawing during the first semester) or the first day of second semester (if withdrawing during the second semester) in order for a refund of tuition and bus fees to be made for any full academic quarter during which the student will not attend. Official transcripts and records are released only after all financial obligations have been met. HJIS will not reimburse any payments for a current semester because of a student's absences, suspension or expulsion. Tuition and fees are not transferable to another student.

Delinquent Payments

In cases of financial delinquency, school policy prohibits class attendance and/or the release of grades, transcripts, or other records of attendance and performance and/or refuse re-enrollment for the following semester. Payments more than 5 school days past due are subject to a ¥1,000 late fee per every school day.

Late Enrollment

For students enrolled after the school year commences, tuition and bus fees will be calculated based upon academic semesters. Attendance for any portion of a semester will necessitate payment for the entire semester.

Corporate Contribution Program

Corporations and organizations that provide educational benefits to their employees are asked to consider participating in the Corporate Contribution Program, a potentially cost effective alternative to paying school fees, tuition and the Japanese individual income taxes on these educational benefits. HJIS Board of Directors wants all parents and organizations to be aware that tuition does not cover the full cost of educating a student at HJIS. Consequently, tuition and fees would be significantly higher were it not for contributions and other non-tuition income. Therefore, your continued support of the School's voluntary annual fund is earnestly requested. For more information on how to make your contribution, please see Support HJIS page.

Payment Instruction

HJIS is using an automatic withdrawal system for school tuition and any other school-related payments. The payments must be made by enrolling with Mizuho Bank and arranging to have your child's tuition and fees payment automatically processed from your bank account. MIZUHO BANK then implements "automatic payment processing," which simply means that your bank automatically drafts the agreed payment amount from the account you specify on a scheduled day. Admissions and Registration Fees should be made by bank transfer during the admissions process.

All accounts will be auto-withdrawal. All tuition and fees are automatically withdrawn on pre-scheduled dates (July 20th, November 20th and February 20th).

Payments should be made by bank transfer during the admissions process. Kindly note that, for safety reasons, HJIS does not accept cash payments for tuition and fees.
